NOTES AND ORDERS

The Corporation in its meeting held on 30 7 51 have resolved that Sri R Madhavan B E be selected for the post of the Corporation Engineer in place of Sri S H Dhanarajan retired

2 This is a question of appointment of a gazetted officer and hence this has to be treated as Council Case

p 109 & 114

3 According to the latest civil list (1950) Sri R Madhavan is an Executive Engineer who is getting a pay of Rs 600/- from 1 10 50 in gra

Rs 500-25-750 Beside, as a Local Board Engineer he is allowed a Duty Allowance of Rs 200 and a Conveyance Allowance of Rs 133-5-0, and these allowances he enjoys only so long as he continues to be a Local Board Engineer

4 The Bangalore city Corporation is allowed to have a Superintending Engineer of the grade pay of Rs 750 50 1000/- plus a conveyance Allowance of Rs 125 per month. According to the resolution dated 30 7 1951 of the corporation, Sri Madhavan is selected to be the Engineer for the corporation for a period not less than three years and he is proposed to be given a pay of Rs 950 in that grade According to M.S.R he can be allowed ~~only~~ a pay of Rs 750 which is the minimum of the higher grade and

7910/M1 Appointment of Corporation Engineer

He can not be allowed the higher starting pay of Rs 950. Besides, no special reasons are assigned for such a preferential treatment of Sri Madhavan. The fact that he is getting a salary of Rs 933-50 (600 plus 200 + 133 50) in the Trust Board is no criterion for giving him such a special pay, as Rs 33 50 is only allowance allowed to a Trust Board Engineer and not personal to him.

5 Points for orders,

(i) Selection of Sri R Madhavan as the Corporation Engineer for not less than 3 years, on a pay of Rs 750 50 1000

(ii) Granting him a higher start of Rs 950 in that grade plus C.A 125 per month is necessary.

6 Financial concurrence is necessary.

7 This is a council matter

P 7/c

8 Under Section 84 (1) of the Corporation Act, the Corporation shall appoint an Engineer who will work under the Commissioner The appointment is subject to the confirmation by the Government The salary attached to the appointment shall be fixed by the Corporation subject to the sanctio of Government

9 The Corporation have resolved to take Sri R Madhavan

Engineer Officer of the Trust Board to the Corporation in place of Sri Dhanarajan out of a panel of four names sent to them by the Chief Engineer They have also resolved to give him an initial pay of Rs 900/- per mensem in the grade Rs 750-50-1000 plus Rs 125 C A - Since this pay is more than Rs 600/- he will not get Dearness allowance

Sri R Madhavan is now drawing in the Trust Board Rs 600/- It is ascertained that his next increment falls due in October On 1st October he will be drawing Rs 600/- plus the following allowances -

Rs 200 Duty allowance + Rs 133/5/4 conveyance allowance + Rs 50/- Dearness allowance or Rs 1,008/5/4 in all At present he is drawing Rs 983/5/4, This enhancement of salary i e , Rs 91/10/8 immediately and Rs 66-10-8 after October is permissible having regard to the larger responsibilities and the orneous nature of the duties required to be performed by the officer in the Corporation The appointment will be without prejudice to the seniority of others The resolution of the Corporation may be approved with financial concurrence This becomes a Council case

15) Sri Madhavan is a permanent Executive Engineer whose substantive pay is only Rs 600/- One of the principles of financial propriety is that an officer on foreign service or holding a post outside the Cadre should not be paid a salary which is out of all proportion compared to his substantive pay Hence the pay of Sri Madhavan in the Corporation must have a bearing ~~with~~ on his substantive pay Besides, the pay he is to get cannot also be on the basis of the several kinds of allowances he is drawing in the Trust Board Taking all these into consideration, he may at best be given the minimum pay of the post Viz, Rs 750/- in grade Rs 750-50-1000 This itself would be a special consideration shown to him in preference to his seniors in the Department

General and Revenue Secretariat,

No 3675-3684/C.B 84-50-1

Dated, Bangalore, 27th May 1950

OFFICIAL MEMORANDUM

Under the existing rules, all questions relating to appointment, deputation, retirement, discipline, posting and transfer of Gazetted Officers on a pay of Rs.500/- and above and of all Officers belonging to the Mysore Civil Service are to be dealt with in the Confidential Branch of the General and Revenue Secretariat

Of late, there have been a number of deviations from this rule and orders have been issued sanctioning allowances, arrangements for posting, etc , in respect of officers belonging to the Mysore Civil Services without reference to the Confidential Branch This is incorrect and should be avoided.

The rule referred to above has no doubt been considerably modified in practice, more particularly with regard to the questions of officers belonging to technical departments like Public Works, Electrical, etc While this may be justified to some extent and while it may also be necessary for the Administrative Branch concerned to examine certain aspects of a question relating to an officer belonging to the Mysore Civil Service, prior consultation with the Chief Secretary before orders are sought, is quite necessary and deviations in this behalf will be seriously noticed in future

Secretaries to Government are requested to see that the rules are strictly adhered to, and that the existing practice in regard to consultation with the Confidential Branch is invariably followed
